

User Guide

The screenshot shows a web application window with a tabbed interface. The 'Employees' tab is selected. Within this tab, there are four sub-tabs: 'Add Employee', 'Edit Employee', 'Employee Catalogue', and 'Remove Employee'. The 'Add Employee' sub-tab is active. It contains two text input fields: 'Name' with the value 'Wyatt Robinson' and 'Salary' with the value '100000'. Below these fields is a blue button labeled 'Add Employee'.

User is on the Employee tab. User has the choice to add, edit, show catalogue, and remove employee. Image above shows user adding employee and their salary.

The screenshot shows the same web application window, but now the 'Cars' tab is selected. The 'Car Catalogue' sub-tab is active. At the top, there is a 'Search Cars' section with a text input field and a 'Search' button. Below this is a table with two columns: 'Make' and 'Model'. The table contains four rows of data. At the bottom left of the catalogue area is a 'Refresh Catalogue' button.

Make	Model
Ford	Mustang
Hyundia	Accent
Nissan	Altima
Dodge	Charger

The image above shows the car catalogue. A user is also able to add, update and remove car from the car tab. There is a also a search option for the user if the catalogue is too long.
